

Dear Dauphin County Medical Society Member,

As a member of Dauphin County Medical Society (DCMS), we are offering you the opportunity to join in a discussion with fellow physicians and our State Senators and Representatives regarding your concerns about the state of medicine and how together we can have positive outcomes at the legislative level.

Please join us for the **DCMS Legislative Breakfast Meeting on Thursday, September 30, 2010, from 7:30 to 9:00 a.m.** at PinnacleHealth's Community General Hospital, 4300 Londonderry Road, Harrisburg, in Conference Rooms 1, 2 and 3 on the 2nd floor. This event is open to all physicians practicing in Dauphin and surrounding counties. Breakfast will be provided compliments of PinnacleHealth System.

Our members remain concerned about the impact of medical liability, health care reform, and access to care on their practices and patients. These and other health care issues will be "on the table" for those who attend. Please take advantage of this opportunity to meet and build a relationship with your elected official. **Your participation will provide great value to our medical community!**

Please **RSVP by September 17, 2010**, by either email at dauphincms@pamedsoc.org, fax to 717-558-7841, or mail to DCMS, 777 East Park Drive, PO Box 8820, Harrisburg, PA 17105.

Thank you in advance for your interest and participation!

Sincerely,

Gwendolyn A. Poles, DO, President

DCMS Legislative Breakfast Meeting – September 30, 2010

I will attend
